

BULLETIN 01-2015

September 2015

**TO: LICENSED GAS CONTRACTORS
LICENSED GAS FITTERS**

SUBJECT: 2015 GAS CODE MEETINGS

Saskatchewan will adopt the 2015 CSA B149.1, CSA B149.2 and CSA B149.3 gas codes, tentatively effective **January 1, 2016**.

Code meetings will be held around the province to acquaint you with the changes in these Codes and the Saskatchewan Codes of Practice. For the Propane Industry, three special meetings (Regina, Saskatoon, and Prince Albert) will be held with a concentrated focus on the changes to the B149.2 code and Codes of Practice. For the gas-fired equipment manufacturing and deployment industry, three special meetings (Lloydminster, Swift Current and Estevan) will be held with a concentrated focus on the changes to the B149.3 code and Codes of Practice. The remaining meetings will focus on the changes to the Natural Gas and Propane Installation code CSA B149.1 and Codes of Practice.

There will be **NO** code books for sale at the meeting. You may purchase the code directly from CSA at <http://shop.csa.ca> in your preferred format. CSA now has three options for you to consider in purchasing the new code(s).

- 1) B149.1, B149.2, or B149.3 in Hardcopy – a B149.1 and B149.2 package is available.
- 2) B149.1, B149.2, or B149.3 in PDF – a B149.1 and B149.2 package is available.
- 3) B149.1 Interactive Standard for tablet or mobile devices – includes the code, the B149.1 Handbook and built-in calculators. (This is the only version available with the Handbook).

Please make every effort to attend one of these meetings as they are intended to help you understand all of the changes.

See you at the meeting.
